About ALS Canada's Revolution Ride

The ALS Society of Canada developed Revolution Ride to inspire and spark action: to increase awareness of amyotrophic lateral sclerosis (ALS), to expand our community and to raise funds to ensure sustainable investments in community-based support services for people and families in Ontario, in provincial and federal advocacy efforts and in the most promising ALS research in Canada.

Revolution Ride is a volunteer-powered, fundraising event that unites recreational, intermediate, and avid cyclists who want to challenge themselves to do more in support of those we have loved and lost or who are facing ALS today.

This premier cycling event takes place on **Sunday, September 24th** in picturesque Dundas, Ontario. The roads surrounding the area offer a landscape that will take riders along challenging routes, steeped in excitement and beauty, leaving participants with a sense of accomplishment and the reward of seeing their fundraising efforts go to help families affected by ALS.

Last year the community impressively rallied together to raise over \$250,000, thanks to the generosity of our sponsors, donors, and community members like yourself.

Why volunteer with ALS Canada?

Volunteering with ALS Canada is an opportunity to make a huge difference in the lives of all those affected by ALS, to give back to your community, to meet new people and to have fun!

A charitable organization that lives its values of accountability, collaboration, compassion, integrity, dynamic, and respect, the ALS Society of Canada is working to change what it means to live with amyotrophic lateral sclerosis, an unrelenting and currently terminal disease.

Grounded in and informed by the Canadian ALS community, we respond to the urgent unmet need for life-changing treatments by investing in high-quality research that will fuel scientific discovery and by engaging industry, supporting increased clinical capacity, and advocating for equitable, affordable, and timely access to proven therapies.

Responding to the tremendous need for current and credible ALS knowledge, awareness, and education, we empower Canadians affected by ALS to navigate the current realities of ALS, be informed consumers of ALS information, and advocate effectively for change. In Ontario, we provide direct community services to help people navigate ALS.

Founded in 1977, we are a registered charity that receives no government funding – our work is powered by generous donors who share our vision of a future without ALS.

Our world is challenging. The people we serve are dealing with a devastating illness. But in the midst of it, their resiliency and spirit are remarkable and moving. You will be touched by the community and will find a way to engage naturally and effectively.

Together, we are moving closer to a future without ALS!
